Report On R-Workshop

Department of computer application organized a workshop on R-programming 'R for Research' for the students and faculties of SCAS on 30/11/2018 by Siju K Swamy, Associate Professor, Saintgits College of Engineering. The aim of this workshop is to provide an introduction to R, a language and environment for statistical computing and graphics. Focus of the course will be on getting familiar with the R environment, to use R for manipulation and exploration of data, and to perform routine statistical analysis in research. Around 30 members were participated in this workshop.
