

**3.4.1 Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during last five years.**

The institution conducts extension activities in the neighborhood in order to sensitize students about their societal responsibilities and to develop empathy for the underprivileged. The college is fully aware of the responsibility it has, to mold the students as responsible citizens through holistic development and hence plans extension activities likewise.

### **Extension Activities for Holistic development:**

Some of the major extension activities undertaken by the college was as follows:

- **Swachhta Pakhwada, Swach Bharat, Swachhta Hi Seva, Clean Day and Organic Farming activities** have been undertaken by the NSS in the neighboring community in order to build value systems among students.

- **“Hour of Code”** is intended to increase logical thinking and reasoning skills among school children in neighboring schools.

The students of BCA 2017-20 batch conducted an awareness class “Hour of Code” on 15th February 2019 for the students of Jerusalem Mount Higher Secondary School, Vakathanam. Hour of code is a concept to help students to improve their logical and reasoning ability. A group of 12 students along with Asst. Prof. Ambily Merlin Kuruvilla took a class about the website “code.org” with the help of video and power point presentation. The student co - ordinators were Allan Cherian Biju and Haritha Harikumar.

- Awareness session on **"Life Style Diseases"** was organized for senior citizens to encourage a healthier life style

As a part of extension activity, a class on "LIFE STYLE DISEASES" was conducted 25/09/2018 at 2:00 pm- 3:00 pm for the people over 60 years near Malikamukku, Pathamuttom. A team of 7 students took the class under the coordination of Lr. Sanal Jacob. The class mainly focused to make them aware about the diseases which may affect their health. The class was a great success and students cleared all their doubts. The class covered all the areas of health-related issues and the people returned their home with full of happiness with a clear mindset to take a well precaution against the diseases.

- **Service to old age homes and orphanages** has been a practice of the students of our college. It provides opportunity to recognize the importance of empathy to the needy.

Final year students (2016-19 batch) were taken for an old age visit at Hanna Bhavan, Aymanam on 20/12/2018. Altogether there were 38 students and four staff. Students had a good interaction with the inmates. An amount of Rs. 6000 was collected and handed over to the old age. The accompanying staff included Head of the department Dr. K. K. John and faculty Lr. Manu Mohan, Lr. Ancy Anthrayose and Lr. Reshmi Susan Jacob.

- **Skip a Meal** was an initiative by the NSS volunteers to provide meals to the needy.

NSS volunteers of Saintgits college of Applied Science had organised a programme called "Skip a Meal" on 17th October 2017, where they served one-time meal to the homeless people who have been staying in the road sides. 17th October is celebrated as the National Poverty Day throughout the world. On this day, our volunteers prepared food from home for about 50 people. There were vegetarian and non-vegetarian meals which consist of rice, veg & non-veg curries. It also included snacks such as spring rolls, cutlets, bread, fruits etc. The volunteers say they feel honoured and blessed for being able to serve in this way. They also understand the value of giving and of reaching out to those in need. They got an opportunity to acknowledge the effort and struggle of people living in poverty.
