ABOUT THE COURSE

Visuals are an important accompaniment for any piece of information consumed online and graphic designers have to constantly churn out great designs to enhance that experience. Through this course, the students will learn the use of every essential tool and master their keyboard shortcuts for project speed and efficiency. This programme takes into consideration Photoshop training for beginners' levels. Students will get to experiment and design their own brochures using a variety of tools in an easy-to-follow program. The final assignments help to evaluate the student's skill level and progress. With this Adobe Photoshop training, students will also learn tips and tricks to help you become more seasoned and adept in using the software.
