### REPORT

The program focuses on imparting skill-based education to students of the upper primary level. In general, Skill development refers to the larger objective of equipping an individual with marketable skills. It can help build a virtuous circle in which the quantity and relevance of education, the innovation, investment, technological, change and competitiveness that economies need to accelerate the creation of more jobs. For our country to achieve high levels of economic growth and address our social challenges of poverty and inequality, we must work together to invest in education and skills development to achieve our vision of a skilled and capable workforce to support an inclusive growth path.

As part of the social activity initiative named " E learning hub" by final year BBA students of Saintgits College of Applied Sciences, conducted 2 days' session for St. Thomas UP School Eravinalloor Puthuppally, Kottayam. 50 students of upper primary participated.

First day session started with the introduction and a warming up talk by Asst. Prof Sanju P Cherian faculty of BBA department, Saintgits College of Applied Sciences. The sessions continued and was conducted by the final year BBA students which were -Magic by Godwin Mathew Reji, craft making by Sreelekshmi Viswanathan, photography by Milan V Mathew, storytelling by Godwin Mathew Reji, chess basics by Gopika S, Dance by Nandana Jayakumar, Song by Sangeetha Krishna and the programs was hosted by Gopika S. We ended our first day sessions by giving various competitions on craft, photography, dance and storytelling.

On the second day our session was about-vocabulary by Gopika S, general quiz by Milan V Mathew, cultural activities for the students from school. The winners of the previous day competition were announced as Vismaya Krishnakumar for dance, Akshay S Praveen for craft, Adithya Dev for storytelling and photography for Anjana K Madhu. Certificates for the winners were provided.
