Report

An industrial visit for the second year BA Corporate Economics students was organised on 21st January 2020 to the Kannan Devan Hills Plantation (KDHP) Tea Museum, also known as the Nalluthanni Estate in the Idukki district of Kerala in South India. The students were accompanied by two teaching staff Dr. K.K. John (HOD) and Dr.AncyAnthrayose for the trip. The team reached the plantation by 9:00am and began their industrial visit. It was a wholesome experience as the entire team got an opportunity to visit the tea museum as well as they got an opportunity to interact with the staff of the plantation and to understand the traditional methods of tea making, current market scenarios, modern technology etc. Later the team headed to the MattupettyDam, which is a concrete gravity dam built in the mountains of Kerala at 11 am. The industrial visit concluded with a visit to the top Station of Munnar. Industrial visit is one of the tactical methods of teaching. Students have got an exposure to practical working environment. Students have gained theoretical knowledge as well as industrial practices. Hence it was a enriching experience in all.
