PEER VIRTUAL TRADING

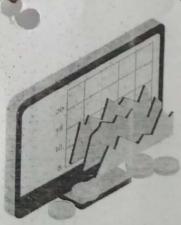

Welcome to Peer Virtual Trading.

A stock market is the aggregation of buyers and sellers of stock or in simple words the place where we can buy and sell stock or shares of public listed companies.

A stock market broker is the one who acts as an intermediate within the companies and investors and help investors to buy and sell stocks and channelize them into productive channels.

- A questionnaire was made on the topic 'Employee Wellbeing and Work Satisfaction of Healthcare Employees amidst Covid-19'.
- After successful collection of 30 responses on the above-mentioned topic in the google forms, theresponses were converted into spreadsheets and then converted into excel sheets.
- In the excel sheet, there were responses of the different respondents, which then further converted as 'Coding' by just selecting 'Find & Select' in the home tab. (it will be done bycoding the options of the questions with 1–5-point scale)
- Then excel sheet's data will be put into use by first entering the questions/ data in the variable view, and copying those coded responses in the excel to SPSS software's data view sheet.
- Last but not the least an analysis was done to check the priority categorization of wellbeing and work satisfaction factors separately. (ie Inferential References, Descriptives)

REPORT OF FOOD FEST EVENT UNDER YUVA

The Food Fest was conducted on 11th March 2022 along with the Arts Day events of our college. It was jointly organized by the commerce association and YUVA team. It was done under the project wings of entrepreneurship and accessibility.

The program was initiated under the project head Entrepreneurship with the following objectives:

- I. To develop or promote the entrepreneurship skills present in the students
- 2. To use the platform to introduce their passion to the world and promote it
- 3. Students can use this platform to earn profit and conduct their business.

The program was initiated under the project head Accessibility with the following objective:

To set aside a certain amount of profit earned by the students through the sales as charity donations which can be used for the upcoming philanthropic purposes.

DETAILS OF THE EVENT

No. of Stalls: There was 3 stalls namely one for drinks, another for bakery and the third one for snacks.

Contribution: Students from all the 10 classes of the Commerce Department will be invited to bring their home-made products for the sale. Accordingly, the products will be grouped and set up in the stalls.

Price of each Product: The students were asked to set the prices for their products and accordingly we can revise it. It is better we suppose that they themselves set the price, as they are the only ones aware of the cost involved.

Charity contribution: The percentage of total earnings of each student seller that will go towards charity is 50%.

An industrial visit has been conducted for students of fourth semester B. Com students and second M Com students to Traco Cable company Ltd, Irumpanam, Ernakulam and Wonderla Amusement Park on 18th May 2022. Total 142 students and 7 faculties participated in the industrial visit.

Journey started from the college at 6:30 am and reached Traco Cable Company Limited by 10:00 am. A brief introduction about industry was given by the staff. Firstly, they were taken to the production area where the staff explained the whole mechanism of the cables being produced by continuous spiraling of thin cables using the machine. Then they headed to the Quality Assurance room where two tests of determining the quality of cables were explained briefly. Also, the staff mentioned the benefits, usage and the main users of the cables. An example is our government buying cables for electricpost. Later they were taken to the transportation area and the various methods were shown.

Students moved out of the plant at 12:00 PM and reached Wonderla at 12:40 PM. They visited the finance department of Wonderla amusement park. They were explained about the internal check system in the department. After the visit to the finance department, they spent some time in the amusement park for entertainment. Return journey started at 6:30 PM and reached the college at 11 PM. and by 11 pm we reached the college campus.

Young Innovators Programme is a specially designed programme under Kerala Development and Innovation Strategic Council (K-DISC). The Programme aims to empower future innovators to innovate new products, services or models to meet emerging requirements, unarticulated needs, or existing market needs of the society more effectively through an innovative challenge. The benefit of presenting your ideas at YIP include State/District level cash prizes for shortlisted students, skill training and funding at different development stages of projects.

Report of industrial visit

B. Com Taxation (T4)

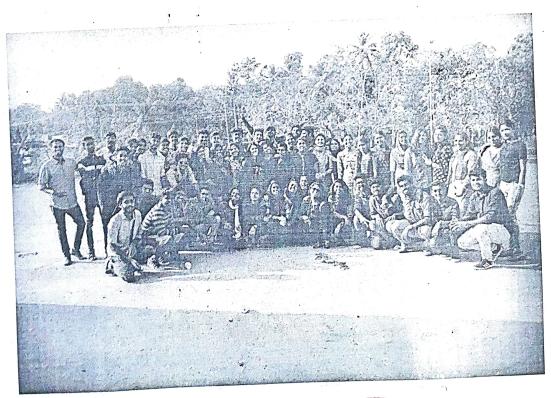

On receiving the letter of permission from the Principal SCAS(Pathamuttom,kottayam),students of B.com (Taxation-t4) with three faculty members(Anish Sir, Seethu Mam and Jeena Mam) went on an industrial visit to Keltron, Trivandrum on 20-01-2018.

We all assembled at the college at 6:15am and left the college in a tour bus.

We reached Keltron at 10:15am after the security check and clearance the Keltron members charge of production received us at the entrance and gave a brief introduction about the production of CPU's and 600kb transformers.

It was an informative, interesting and a successful visit. Then we left for lunch to Al Saj hotel. We reached the hotel by 2:00am. Then we went to the Varkala beach for some entertainment. We had a blast of time there. Then we left the beach by 5:30. We reached college by 9:30. We express our thanks to the Principal who permitted us to go on the visit, the faculty members who accompanied us and the officials of Keltron who explained the various aspects of production of CPU's and transformers.

We request the college management to arrange more industrial visits for students which practically trains the students and creates interest in them to learn new things.

REPORT ON INDUSTRIAL VISIT TO CONNIMARA TEA FACTORY, VANDIPERIYAR.

25/1/2018

Fourth Semester students of B.Com Computer Applications Batch B along with 3 faculty members were taken to Connimara Tea Factory, Vandiperiyar as part of their Industrial visit on 25/1/2018.

Connemara Tea Factory is one of the top and oldest tea factories in Kerala. It is in Vandiperiyar, about 15 Km away from Thekkady. Connemara Tea Factory was built in the year 1940 and one of the oldest one in Kerala. The tea factory offers a one hour guided tea garden cum factory visit program for tourist. It is an educative, informative and entertainment program. The timing of the visit is from 9 Am to 4 Pm every day except Sundays and other public holidays. There is an entrance fee of Rs. 150/person.

The program starts with an Audio-Visual Presentation which is having everything you need to know about Tea. After that, you will be taken to visit the Tea Factory. The process of Tea making starts from Withering, Crushing, tearing & Curling, Fermentation, Drying, Cleaning, Grading etc. And they do even teach you how to make a good tea and how to enjoy the real taste of tea at the end. They have an outlet at the entrance where you can buy premium quality tea packets which are fresh and pure.

FENNE FEST -JACK OF ALL TRAITS REPORT

As a part of declaring JACKFRUIT as the state's official fruit by State Agriculture Minister V S Sunil Kumar on 21st march 2018, to give a fillip to the production and sale of jackfruit and its value-added products.

2nd year M.COM students of Saintgits College of Applied Sciences organized a recipe competition 'Fenne Fest' commemorating the same for the students of commerce department. The fest was held on 23rd march 2018 at 10.30 am on the seminar hall.

The program was inaugurated by Prof. M C JOSEPH, Principal of Saintgits College of Applied Sciences. Following the formal program, the students presented various recipes made from jackfruit. A total of 12 teams including 1 teaching staff came up and presented their recipes.

Prof. M C JOSEPH, Dr. K .K JOHN, Asst.Prof. TANIYA THOMAS, Asst.Prof. ANISH B BHASKARAN had obliged our request for judging the above event as external referees. The first prize was won by Kesiya Ann Cherian and Krupa.

Students got an opportunity to know about the importance of Jackfruit and its different recipes and helped to make students little more closer to the natural habitat.
