CHAI KANTH

The guest speaker Mr. Suresh Radhakrishan, started the meet with an introductory speech about himself. He was working in an IT company but later, he felt the need to do things differently. He decided to start a coffee venture.

Mr Suresh's entrepreneurial journey was not smooth. He talked about the various difficulties and pity that people expressed towards him including his parents and friends. But strongly determined, he was of the idea that he wanted to deliver coffee which would remain consistent and would earn a place in people' mind. After many downfalls, with great patience and determination, he brought up "Chai Kanth", one of the best coffee ventures in Chennai.

The interactive session held after the speech was wonderful. He had answers for every student's questions and he mentioned that the most important thing was not to let go of your dream but to keep on working hard even if the world is against you.

To conclude, the session was very informative and cleared most of the doubts that students had about entrepreneurial journey.

MEET THE ENTREPRENEUR

29/01/2022

The online meet of Meet the Entrepreneur had the Guest speaker Priya Fazil, who opened with an introductory speech which was truly inspirational about her entrepreneurial journey. She defined how and what made her start a business 16 years ago when she was left alone to do the business in real estates. She gave a brief explanation on how she has developed her projects along with her team and thereafter clarified doubts and answered the students with great patience and excitement. Her talk about calculated risk taking was useful. She also said that individuals must be ready to work that extra percentage in order to be successful and take every challenge in a positive way, which evoked the entrepreneurial vision in many.
Her charismatic personality scooped away the hesitation that students were expected to express. She had very clear and informative answers to all the questions that our students posed.

To conclude the session was lively as she kept answering more to the questions from the student's side instead of talking from her.
After the session was over, they announced the winners of "best question asked" challenge. Goutham Krishna from T1 was one among them.

MEET THE ENTREPRENEUR - II

Yi Yuva "Meet the Entrepreneur II" conducted on 26/02/22 was an interactive session that was knowledge enriching and engaging. The chief guest of the program Mr. Louis Issac, is one of the best entrepreneurs in Kerala and it was a pleasure and valuable experience to interact with him engaging in analysis of various courses of entrepreneurship phases in his experience. Sch an interaction offered a learning opportunity about the different aspects of entrepreneurship and lessons of experience that Mr. Issac shared which was truly inspiring.

Of the many questions that were asked by the students, one of them was "What were the initial strategies used to marke his business?", to which Mr.Isaac accurately responded by saying that the goal was to attract the clients towards their company instead of reaching out to them and they did this by establishing themselves as one of the top information providers available. The process of establishing was also spoken about and inferred that it was not an easy journey.

The webinar was well organized. It was a good opportunity to know about how various entrepreneurs go through hardships to achieve success. Mr. Louis is indeed a wise man who is positive by attitude and hardworking in nature. The event was really fruitful,I especially for those individuals who aspire to be entrepreneurs in the future.

AWARENESS CLASS ON GST

In order to survive in today's competitive world, one must stay constantly updated. The 1st of July 2017 was a landmark in India's history as the country switched to a new tax regime from midnight. While it has affected the current generation engaged in economic activities, the real impact of its implementation will fall upon the coming generation who are in the course of completing their education. Changes were made at the college level to accommodate this situation but nothing was done at the school level. In order to educate the lesser informed group and prepare them in advance to face such a challenge, an awareness class on GST was held for the Class XII students of St. Joseph's Girls Higher Secondary School, Changanacherry on the 16th of August, 2017 from 10:30 am to 12:00 pm. The class was conducted by the B.Com final year students, namely Thara Vijayan, Sharon Ann Samuel and Neema Susan Varghese under the guidance of Assistant Professor Lima Lukose. A total of 92 commerce students attended the class. The class turned out to be highly informative and useful to the students for creating a basic awareness about GST.

DATE OF THE EVENT

The class was held on the 16th of August, 2017 at St. Joseph's Girls Higher Secondary School, Changanacherry.

OBJECTIVE

The objectives of this class were:

- To spread a basic awareness about GST among higher secondary commerce students as a part of our social responsibility.
- To provide an opportunity to the graduate level students to conduct a class on a trending topic.
- To improve the level of confidence and research skills of our students.
- To arrange a platform where Higher Secondary students could communicate with graduate level students about the topic without any inhibition.
- To use the practical knowledge of Taxation learned in the classroom.

YOUTH ICON

A Youth Icon is someone who stands apart from others, someone who can be looked up to, a person capable of inspiring the youngsters of today. Such a person must be intelligent and should also possess good communication and problem solving skills, thereby making him or her worthy of such a title. While knowledge and skill play an important role in determining the quality of a person, talents indicate their unique abilities. And thus, the search for a Youth Icon in Saintgits College of Applied Sciences began.

DATE OF THE EVENT

The Youth Icon competition was a five day program that was conducted from the 10th of January to the 18th during the academic year 2017 – 2018 with reference to the National Youth Day which was celebrated on January 12. The following schedule shows the events that took place during these respective days.

Sl.No	Date	Event
1	10/01/2018	Preliminary selection
2	11/01/2018	Current affairs quiz
3	12/01/2018	Interview and situation round
4	17/01/2018	Power point presentation
5	18/01/2018	Talent exhibition

OBJECTIVE

The objective of the Youth Icon competition was to find a student with the requisite qualities of a role model –

- Intelligent, talented and possessing excellent problem solving and communication skills.
- A person who is able to conquer and stand above every problem life places before them
- One who can be a good influence on people.

In order to achieve this, the entire competition was divided into five stages where there was a knockout after every stage, thereby ensuring only the best moved on. The events that took place are as follows:

DAY 1 (JANUARY 10)

A college level preliminary selection was held by the class teachers on the basis of class performance. Four students at the top of their class were selected and carried over to the next round.

DAY 2 (JANUARY 11)

The selected participants were asked to take a quiz regarding current affairs. Participants who qualified were taken to the next round.

DAY 3 (JANUARY 12)

The students were interviewed. The objective of this round was to test their communication skills in a conversation. They were also given a situation to which they had to find possible solutions.

DAY 4 (JANUARY 17)

The participants who qualified from the previous round were asked to prepare a Power point presentation on the topic 'FINE TUNING EDUCATION FOR TOMORROW'. Their public speaking skills were put to the test. Out of this round, four finalists were selected.

DAY 5 (JANUARY 18)

In the final round, students were asked to exhibit a talent of theirs. Out of the four finalists, the best performer was selected as the Youth Icon.

മൊബൈൽ വാലറ്റ് സുരക്ഷിതമാണോ?

ഏതൊരു ഡിജിറ്റൽസിന്റേയും സുരക്ഷയിൽ എല്ലാവരുടെയും മനസ്സിലെ മുകൾഭാഗത്താണ് സുരക്ഷിതത്വം. എന്നാൽ, പേട്മെൻറ് ആർബിഐ അംഗീകരിച്ചിരിക്കുന്ന വാലറ്റ് ആണ് - അത് നിങ്ങൾ സൂക്ഷിച്ചിരിക്കുന്ന പണത്തെ എസ്ക്റൗ അക്കൗണ്ടിൽ ഒരു പ്രശസ്തി ബാങ്കിനൊപ്പം സംരക്ഷിച്ചിരിക്കുന്നു എന്ന് പറയുന്നു. "Paytm Verisign-സർട്ടിഫൈഡ് 128 ബിറ്റ് എൻക്രിപ്ഷൻ ടെക്നോളജി, ഇതിനർത്ഥം ഇടപാടുകളിൽ ഉപയോഗിക്കുന്ന രഹസ്യ കീ 128 ബിറ്റുകളുടെ ഒരു ശ്രേണിയാണ്, പാസ്വേഡ് ദൈർഘ്യത്തെ അല്ലെങ്കിൽ ഉള്ളടക്കത്തെക്കുറിച്ച് ഒന്നും വെളിപ്പെടുത്തുന്നില്ല. പ്ലാറ്റ്ഫോം PCI DSS 2.0 സർട്ടിഫിക്കറ്റ് ആണ്, ക്രെഡിറ്റ് കാർഡ് ഡാറ്റ സൂക്ഷിക്കാത്ത ഫോമിൽ സൂക്ഷിക്കില്ല എന്നാണ്.
