#### Q&A

Q.1 Can I find my excellent career in BIG 4?

Ans: If you are interested in acquiring knowledge and expertise at a supreme level, make sure that you are in the right way of your career in BIG 4. But always keep a strong desire in taking responsibility and overseeing employees.

Q.2. Which one of the BIG 4 I choose as the best to work for?

Ans: As I am working in KPMG, I strongly recommend KPMG which is known to have the best work life balance among employees.

Q.3 If I have a choice to earn more form work than career, which one should I select from BIG 4?

Ans: They pay almost similar for similar roles especially for junior ranks. There is a clearer hierarchy with Deloitte if you make it to a partner level.

Q.5 What is the specialty I can explore in BIG 4?

Big Four means the top four accounting firms that globally audit more than 80% of US public companies, including Deloitte, PricewaterhouseCoopers, KPMG, and Ernst & Young. For these accounting firms, this term is used because of its huge-size, good reputation, and worldwide reach in the field.

Q.6 Is it very difficult to be part of BIG 4?

It is true that being recruited by one of the Big 4 is difficult; but, there are specific measures and methods you may follow to bring your foot one step closer to one of their four doors. It is very essential that aspirants know how to get a job in Big 4 companies.

Q.7-Is it stressful work?

## SAINTGITS COLLEGE OF APPLIED SCIENCES

PG DEP

Big four working hours are so long and can take up a majority of your day. If you find big 4 work depressing, then it might cause depression because it is your primary focus. This is why the big four push for work life balance. Having any kind of work life balance is truly difficult at the big 4 accounting firms.

### Conclusion:

The question-answer session was very effective and the presence and addressing of Mr. Antony Thomas, General Manager of Saintgits Group of Institutions was more helpful to the students to get idea about the placements and trainings held by the institution.
