Department Associations

- **Commerce Association - YASHUS**

Commerce association working under the PG Department of commerce is known for the excellence in grooming the students in both academic and non-curriculum activities making them confident enough to face the outside world. The association arranges for building skills and helping students to face their fear emerging successful. All the grooming activities are done both within and outside college giving them the much required exposure.

- **Computer Association - IGNITE**

The Computer Association of Saintgits College of Applied Sciences aims at providing a platform for the students to enhance their technical skills and to create awareness among them about the latest trends in technology. The tech savvy students get opportunities to participate in various inter-collegiate competitions.

- **Management Association - MAGNUM**

Magnum- Management Association 'MAGNUM' started functioning in the college in 2014 as an initiative of the BBA Department. It is a platform for identifying and enhancing the skills and talents of students. It conducts different programs within the institution, social responsibility programs for the benefit of backward and other community groups and organizes intercollegiate programs. The association aims to develop managerial skills like communication skills, presentation skills, leadership skills, inter-personal skills etc.

- **Economics Association - ARTHA**

The Economics association aims at developing inter personal skills of the students and create research culture. It also enhances student knowledge on economic issues and develop their critical thinking through activities like quiz programs, budget discussion and presentation on economic topics.

Farewell

The second year students of BCA organized a farewell named "SAYANORA" on May 18 2018 in the college auditorium for the final year outgoing students with great enthusiasm. The function began with a floral welcome speech by our principal, Prof. M. C. Joseph. In his speech he wished good luck to the students for their future and appreciated the efforts taken by the department, faculties and students. It was then followed by a message by our HOD Assistant professor Ambily Merlin Kuruvilla. The theme for SAYANORA was "Not the end, only a different beginning". The programme began with a small session where the final year students talked about their college life experiences. Group dance, solo dance and solo song performances were presented by the second year students of the BCA. Towards the end of the ceremony snacks were distributed to everyone gathered there. The day was a memorable one both for the outgoing batch and the teachers.

Workshop on Machine Learning

A workshop on Machine Learning for the final year students was conducted on 6th January 2020. Dr. Jeyakrishnan V, Associate Professor, CSE Department, Saintgits College of Engineering handled the session. Machine learning is an application of artificial intelligence (AI) that provides systems the ability to learn and improve from experience without being explicitly programmed automatically. Machine learning focuses on the development of computer programs that can access data and use it to learn for themselves. The workshop focused on python language and students got hands-on experience on different machine learning algorithms.

Machine Learning in Python Workshop

Android Apps for Women Safety

A talk on 'Android Apps for Women Safety' was conducted on 12th February 2020. The seminar was aimed at creating awareness among the first year students about the role of technology and various applications available on the Google Play Store to provide safety for women. The session was handled by a final year BCA student, Ms. Manju Manoj. She delivered a video presentation explaining the best five mobile applications that are meant for women safety. Comparing the features and analyzing the user's experience, the applications were ranked from 1 to 5 and explained the merits and demerits of all five.

Website Maintenance

As part of the association activities a website www.emmanuelchildrenshome.org was hosted for a Charitable trust Emmanuel Children's Home in 2018. By the end of 2019 the authorities of the orphanage center submitted a request letter for upgrading the website to their new organization's name Emmanuel hope center. So the students Mr. Allan Cherian Biju, Ms. Devika G, Mr. Jithu Varghese Jacob, Mr. Athul Biju Abraham under the guidance of Lr. Johnsymol Joy upgraded and hosted it under the name www.emmanuelhopecenter.in.

Gits Blitz 15.0: Paperlytical

The CODIGO (C Debugging) event commenced at 10:30 a.m. on March 18, 2021 via Google Meet. 12 participants from 11 different colleges participated in CODIGO and made this event a great success. It consisted of 2 rounds. The first round was a Quiz competition conducted through KAHOOT and the second round consisted of two phases: Error detection and Debugging. The top five participants of the first round were selected for the second round. Mr. Joseph Benoy from BVM Holy Cross College Cherpunkal, Pala won the first prize, Mr. Aswin N Kaimal from Ettumanoorappan College won the second prize and Mr. Alwin Joseph from Government Engineering College, Palakkad won the third prize. Prizes for winners were distributed during the Valedictory function conducted in the College campus on 19th March 2021 at 3 pm. Er. Punnose George, Executive Chairman of Saintgits College of Engineering handed over the prizes to the winners.

BEST OUTGOING STUDENT

This prestigious award goes to the best student who, with academic excellence, has achievements in co-curricular, extracurricular and sports throughout the 3-year duration of study. The selection process is carried out according to a criterion. The best outgoing student will receive the award in the Merit Day Program annually.

Mr. Sebastian Jose was selected the best outgoing student in the BCA 18-21 group. Of 59 students, 6 qualified for the selection process. Among the qualified, Mr. Sebastian Jose secured the highest marks.

Best Outgoing Student

STUDENT ACTIVITIES

- Department conducted group discussions for second- and third-year students on the topic "Impact of Covid 19 in Educational Sector".
- Department conducted group discussions for second year students on the topic "Applications of AI and ML".
- Ms. Neenu Ann Sunny handled a session on Brochure Designing on 25th May 2021.

Commerce Association –YASHUS

As part of International Day Against Drug Abuse, Department of commerce conducted a Cartoon Drawing Competition on 26/06/2021. The theme of the competition was "Share facts on drugs; save lives".

General rules of competition

1. Theme: Share facts on drugs; save lives.
2. The work should be done by hand.
3. The art work done must be videographed on time lapse, and the photo uploaded on the form provided.
4. The art form could be a cartoon, drawing or painting so long as it imbibes the theme.
5. Submissions must be turned in before 11:00am on Tuesday, 29th June.
6. E-certificates will be provided.
7. Judgement will be primarily based on theme creativity, neatness and artistic work done by the students. Decision of the judges will be final and binding.

"IN THE BEGINNING MARVEL CREATED THE BULLPEN AND THE STYLE, AND THE BULLPEN WAS WITHOUT FORM, AND VOID; AND DARKNESS WAS UPON THE FACE OF THE ARTISTS, AND THE SPIRIT OF MARVEL SAID, LET THERE BE THE FANTASIC FOUR, AND THERE WAS THE FANTASIC FOUR, AND MARVEL SAW THE FANTASIC FOUR, AND IT WAS GOOD."

Computer Association – IGNITE

The Computer Association IGNITE organized different events such as expert talks, Workshops, Competitions, farewell, important days' celebrations, Social Service activities for empowering the students in the Computer Science department. Students also participated in the programmes organized by the other colleges.

Expert Talks and Workshops

The association organized several expert talks for which the resource persons were either from industry as well as from the academic sector. These sessions help the students to equip themselves with the current developments in the industry and honing their skill set. This helps them bridge the gap between academics and industry. The workshop benefited both students and faculty, allowing them to have hands-on exposure on current technology and solve problems in real time using them. This also helps the students to publish their research papers in National / International conferences and peer reviewed journals.

The UGC has instructed colleges and universities to observe “**CyberJagrukta Diwas**” on the first Wednesday of every month. It's about raising awareness of cybercrime and how to deal with it. The following programs were performed according to the indications provided

- A talk by Mr. Rohan and Ms. Navya about the cybercrimes was given to C6 students
- On January 5th, a session about cybercrimes and its impact was given to c2 students by Mr. Motti Zachariah
- To raise awareness about cyber threats a video was shared among all class groups.

Cyber Jakruta Diwas

Along with Organic Farming Club, IGNITE celebrated **World Coconut Day** on September 2, 2021 by conducting quiz competition and **Kerala Farmers Day** on Chingam I by planted seedlings in the growbag arranged at the college.
