Introduction

Anjana K S is expert in preparing MIS reports for assisting in strategic decision making. She is an experienced financial and valuation analyst and prepared reports on scenario modelling and sensitivity analysis. She interacted with the students and delivered tips to get managerial skills for corporate jobs

Expected Outcome

- 1. Understand the new managerial techniques in the modern world
- 2. Identify the management job opportunities
- 3. Understand the ways to find out the problems for key managerial problems

Report

The alumni interaction was held on 18th December 2021 at 11:30 AM through google meet platform. The seminar was addressed by our Alumna Ms. Anjana K S, Finance Consultant in IBM. She completed her Post Graduation in Management at IIM Ranchi. The session was attended by more than 35 attendees including students and the faculty of the commerce department.

During the session she mentioned many things from her time in college and her experience in IIM ranchi, how she has achieved such a height after under graduation. The entire session spanned for I hour where she interacted with the students in a well-disciplined manner and also her life experiences towards achieving a place in IIM institutes, She guided the students regarding the group discussion, value of communication skills, and benefit of a positive attitude, especially while going for an interview. The whole event was very energetic and successful students of the commerce department raised many doubts and queries regarding placement and work-life environment. The session became interactive when students raised their doubts regarding MBA courses. She also explained about her life experiences towards cracking competitive exams.

The programme was coordinated and moderated by Asst.Prof. Christy Achu Chandy.
