Report submitted to Mahatma Gandhi University based on Suggestions received from the stakeholders of Saintgits College of Applied Sciences, Pathamuttom, Kerala during the academic year 2018-19

This college namely, Saintgits College of Applied Sciences, takes feedback from our stakeholders on yearly basis in order to improve the teaching-learning process and other facilities which contributes to the holistic development of students. We would like to bring to your kind attention, the following suggestions that we received from them for your kind perusal:

- Many Universities and Colleges outside Kerala have introduced outcome-based education in the under graduate program. But out come based education has not been implemented in our University. Training for the same may be given to the faculty in order to equip them for the same.
- The University may take initiatives to share e-resources from the University Library with affiliating colleges.

Kindly take into consideration the above suggestion and do the needful.

Dr. K. K. John
Principal
Saintgits College of Applied Sciences
Kottukulam Hills, Pathamuttom P.O.
