## NATIONAL SERVICE SCHEME 2021-22 SNEHAVEEDU

The N.S.S unit of this college found a 'Katcha' House in the neighbourhood of the college during the socio- economic survey conducted by Unnat Bharat Abhiyan of this college during February 2022. Mr. Issac Idathuruthel of Pathamuttom, a 72-year-old man who is physically incapable of working, requested assistance from the students for flooring, plastering, and roofing. The N.S.S unit came to know of this and reported the principal and management, who then generously contributed Rs. 25,000 towards the completion of the work. In addition, staff and students also chipped in with Rs. 15,000 to support the project. The N.S.S unit was successful in completing the work on 22<sup>nd</sup> March 2022. The house is situated in the XIII ward of Panachikkad Grama Panchayat and the house number is 279. This is the second Snehaveedu project of the N.S.S unit of Saintgits College of Applied Sciences. The first project was completed in February 2018.

We are incredibly proud of the work accomplished by our NSS team through the Snehaveedu project. By coming together and taking action, we were able to make a meaningful difference in the lives of one of our own.
