Sub: Reimbursement of registration fee paid for Paper Presentation in International Conference

Dear Sir,

I, would like to inform you that I have presented a research paper entitled "AdvancedKSort: An Expeditious Sorting Technique for Data Analytics" in the International Conference held in Amrita University, Ettimadai. It was a 3-day International Seminar on "Statistical Applications of Data Analytics & Data Science" on 20th, 21st and 22nd February 2020. Eminent resource persons from foreign countries also shared their research works and experiences. I was able to interact with people from different MNCs like Dr. Lipika Dey, Chief Scientist at TCS Research and Innovations who was the Chair person for my presentation. Their suggestions really helped and inspired me in my present work.

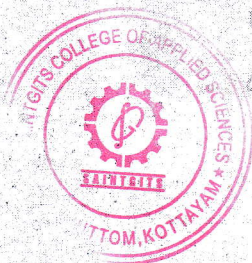

There was a registration fee of Rs.3450/ per faculty. I went there by train and it costed Rs.1060. I request you to kindly reimburse the registration fee and the train fare.

Expecting your favorable action in this regard.

Thanking you,

Yours sincerely,

Sneha Jacob
