Outcome of Session

The orientation session helped the participants to have an elementary understanding on the civil services examination and the actual competition level faced by candidates in this exam. Students were also informed about the career they need to choose after their secondary education at school if they are planning to prepare for civil service examination. The students found the session very beneficial. The resource person shared the information in the most interesting manner.

Impact of Session

The session motivated the students to prepare for civil service examination. Organizing such sessions will help students prepare for a successful career with clear vision about what lies ahead and what can be achieved at the end of their courses. They can also choose their career according to their interest.
