Research Challenges in Science, Engineering and Technology

The logo for Nova Science Publishers features a stylized orange arrow pointing to the right, curving upwards from the left. Below the arrow, the word "nova" is written in a bold, lowercase, teal font. Underneath "nova", the words "science publishers" are written in a smaller, lowercase, orange font. At the bottom of the logo, the website address "www.novapublishers.com" is displayed in white text on a teal rectangular background.
