IMPACT ANALYSIS

Thejomaya was a platform for encouraging the computer knowledge of school students. Students were able to learn how to use Microsoft office, color painting, Libra office Trainer, GeoGebra, Malayalam keyboard.

OUTCOME REVIEW

SAINTGITS

LEARN.GROW.EXCEL

This program mainly focused on imparting computer software or application knowledge among the school students. Students were able to learn new concepts in this field. Students were able to pick up new computer skills and its fundamental features, which helped them to develop an interest in the relevant discipline.
